1. Purpose

The S P Jain School of Global Management is committed to providing an environment that conforms to all legislative requirements in respect to providing an environment that is safe, and has well-maintained physical and electronic resources and infrastructure. The purpose of the plan is to provide guidance and direction for managing critical incidents that may occur and is applicable at all S P Jain campuses.

2. Overview

Protecting the health and safety of employees, students, visitors, and the environment is of primary concern and S P Jain takes an active role in identifying hazards before injuries and illnesses occur. An effective critical incident program benefits the S P Jain community by reducing illnesses and injuries, preventing property damage, and preserving the environment. S P Jain will make every reasonable effort to promote, create, and maintain a safe and healthy environment through adherence to basic safety principles, sound management practices, and compliance with applicable federal, state, and local standards. The critical incident plan outlines the basic responsibilities for occupational and environmental health and safety concerns at S P Jain, stresses efforts to reduce accidents, ensures compliance with applicable health and safety regulations, and emphasizes S P Jain's commitment to a safe and healthy operation.

The Campus Facilities Manager reporting to the Head of Campus are in charge of monitoring safety at their respective campuses and managing and reviewing the safety plan annually, to meet current needs.

3. Definition of a critical incident

S P Jain's Critical Incident Policy lays out the procedures and actions to be taken in the event of a serious incident that involves S P Jain students, faculty, staff members and visitors. A serious incident means an actual situation that affects, or has the potential to affect, the safety and well-being of S P Jain students, staff, faculty or visitors in a dangerous or tragic way. Serious incidents include, but are not limited to:

- Serious injury or death
- Sexual assault or abuse
- Violence or threats of violence
- Robbery with threat of violence
- Sudden or unexpected death or suicide of a work colleague, student or teacher
- Natural disasters
- Hazards including fire, chemical exposure or structural collapse
- Threat to IT systems including shut down of systems
- Bomb threats
- High publicity violent crimes
- Any incident that is charged with extreme emotion

4. Reporting of an incident and subsequent steps for handling an incident:

- a. All incidents are first reported to the Head of Campus or their nominee in the facilities team of each campus, who is accessible at the time of the incident. If it is a member of the facilities team, she/he needs to escalate it to the Facilities Manager immediately.
- b. The Head of Campus/Facilities Manager investigates the reported incident and extracts as many facts as possible to identify the staff/student/faculty/visitor involved.
- c. On knowing what the incident is, and the persons involved, corrective steps need to be taken immediately by the Head of Campus. These could be:
 - i. Seeking emergency assistance – Police, Ambulance, Fire Brigade as required
 - ii. Notifying senior relevant staff as necessary to assist with managing the incident such as the Registrar, Manager, Information Technology, and facilities staff, Counsellors, PR and Media.
 - iii. Notifying security contractors if the incident is related to on-campus activities.
 - iv. Making immediate contact with the family member of the staff/faculty/student involved.
 - v. Providing ongoing support to the individual and other affected people as required such as counselling, medical support, and academic support.
 - vi. If required, making arrangements for the concerned individual to return home, or any other place, considered suitable.
 - vii. Coordinating with consulate or embassies, as required.
 - viii. Arranging for emergency travel/funds if required.

- d. A critical incident log should be maintained throughout the event by the Head of Campus. This should include:
 - i. Describing the incident, date, time and location
 - ii. Actions taken to manage the incident
 - iii. Persons involved, witnesses including full contact details. After the event the Facilities Manager should provide a full report detailing the Critical Incident to the Head of Campus.
 - iv. A debriefing meeting will be held with those involved in managing the incident to discuss the report and how the incident was managed. Further the group may make recommendations on how to improve the response to the incident. The critical incident will be entered into a formal incident register and the file will be held for reference of any agencies/persons who may need to refer to the same. The Head of Campus is to ensure recommendations from the meeting are implemented.
 - v. The Vice President – Administration will ensure that the critical incident log and other analysis for all campuses is reported annually to the Board of Directors.

5. Safety Policy

Part of the mission of the Facilities Department is to provide a safe environment for the students, faculty, staff, and visitors. The Head of Campus and Facilities Manager coordinate all safety functions at S P Jain. These objectives are achieved through inspections, environmental surveillance, training, hazardous chemical management, and plan reviews. Efforts are channelled into several specialty areas including: security, fire protection, occupational health and safety, asbestos management, environmental health, emergency planning and risk management.

In accordance with the regulations, the Facilities Manager conducts on-site inspections, recommends methods to correct hazardous conditions, develops regulations, provides training to employees and students, investigates accidents, occupational illnesses, maintains records, and monitors and evaluates program performance. The purpose of the program is to improve the safety and health of the work environment by reducing hazardous conditions that can cause occupational illnesses and injuries.

6. Student Responsibilities

Should they be involved in any serious incident, students must immediately notify both the Head of Campus and the Facilities Manager. A third point of reference is the Student Counsellor. Direct contact phone numbers are provided to students as part of their orientation information and personal identification cards.

7. Inspections

To ensure that S P Jain's policy for a safe and healthy environment is carried out, the Facilities Manager conducts periodic inspections of all facilities at each S P Jain campus. The goal is to reduce accidents and injuries by eliminating safety and health hazards and unsafe practices among

employees by conducting annual inspections of all facilities. Staff and students can strengthen personal safety by regularly reporting of potential safety risks to the Facilities Manager/Head of Campus at any time.

8. Fire Safety Plan

The Fire Safety Plan, based on the format recommended by the NSW Fire Brigade or the local Fire Safety authority provides instructions for identifying, monitoring and addressing fire safety issues.

a. Fire Suppression Equipment

S P Jain maintains various fire suppression systems on campus including: fire extinguishers, standpipes and fire hose reel water pumps strategically placed throughout. The Facilities Manager maintains an inventory of all fire extinguishers.

While readily available, no one is encouraged to use a fire extinguisher unless they have received training in its use. Under no circumstances is anyone to endanger themselves or others in an attempt to extinguish a fire.

b. Drills

Fire drills are carried out at the beginning of each semester under the guidance of the Facilities Manager.

c. Reports

Deficiencies concerning unsafe conditions are reported to the building lessors in the inspected building by the Facilities Manager. If the Facilities Manager discovers a condition considered unsafe, it will be reported for immediate correction.
